

## How to Sign Up for Skigital Leads Free Trial (14 Days)

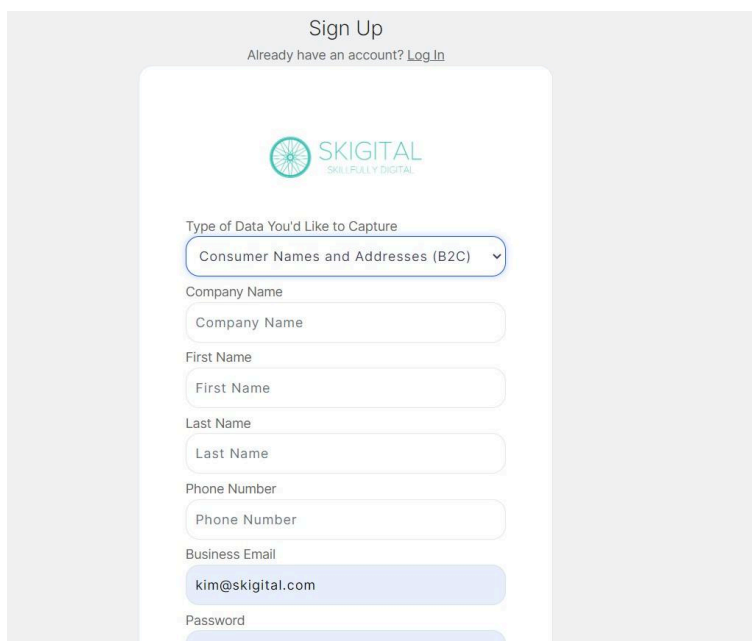

*\*Before signing up for your free trial, we highly recommend granting the Skigital team access to your website or providing the contact information of your web developer. This will ensure that we can promptly place the pixel on your site, allowing you to maximize the benefits of your 14-day trial.*

1. Navigate to [login.skigital-leads.com](http://login.skigital-leads.com)
2. Click "Sign Up."

The screenshot shows the "Sign In" page for Skigital. At the top, it says "Sign In" and features the Skigital logo (a green circular icon with a gear-like pattern) and the text "SKIGITAL SKILLFULLY DIGITAL". Below the logo are two input fields: "Email" with the value "kim@skigital.com" and "Password" with a masked password "\*\*\*\*\*". There are links for "Forgot Password?" and "Sign Up". At the bottom is a dark grey "Log In" button.

3. Select the "B2C" or "B2B" option.

The registration form for Skigital is centered on a light gray background. At the top is the Skigital logo, which consists of a green circular icon with a white gear-like pattern and the text "SKIGITAL SKILLFULLY DIGITAL". Below the logo is a dropdown menu labeled "Type of Data You'd Like to Capture" with "Consumer Names and Addresses (B2C)" selected. The form contains several input fields: "Company Name" (with "Test" entered), "First Name" (with "Test" entered), "Last Name" (with "Test" entered), "Phone Number" (empty), "Business Email" (empty), and "Password" (with "\*\*\*\*\*" entered). A dark gray "Register" button is located at the bottom of the form.

10. Click "Register"

11. Your 14-day trial account has been created. Skigital will take it from here.

The "Quick Start" dashboard is shown with a dark gray sidebar on the left containing navigation links: "Quick Start", "Account", "Audiences", and "Reports". The main content area has a header "Quick Start" and a user name "Test" with a menu icon. A progress bar at the top shows four steps: "1 Pixel", "2 Data", "3 Delivery", and "4 Launch", with "Pixel" being the active step. The main instruction is "Place the Visitor Tracking Pixel on Your Site". Below this is a text input field with the placeholder "Enter your Web Site URL and Click Scan to Get Started" and the value "https://yourdomain.com". A note below the input field says "Make sure to include http:// or https:// in the URL you enter." There is a dark gray "Scan" button. Below the input field is a link "View Code (Advanced)". At the bottom of the main content area are "Previous" and "Next" buttons. The "Pixel Status" is "Pixel Not Detected" with a "Check Again" link.

After the Skigital team installs the pixel on your site and launches the campaign, lead collection will begin.
